Audio products, Indicators, Transducers, Piezo Benders, Speakers, Microphones, Custom Solutions

<https://dbunlimitedco.com>

A fabless company, develops and manufactures gallium nitride power switching transistors. 650V and 100V E-HEMT transistors and wireless power amplifiers used in consumer, enterprise, industrial, solar/wind/smart grid, and transportation power conversion applications.

<https://gansystems.com>

A leading manufacturer of frequency products, quartz crystals, oscillators, and ceramic resonators. The highest quality, creativity, and safety characterize our innovative solutions.

<https://geyer-electronic.com>

Sensor System Business Company within TDK, industry leader in MEMS Motion IMU's, Digital and Analog mics, CO2, Pressure and Chirp™ ultrasonic ToF sensors for consumer, industrial, automotive, and IoT market segments.

<https://invensense.com>

A Swatch Company, 32.768 kHz Quartz Crystals, 32.768 kHz and 100 kHz Oscillators, mHz Crystals and Oscillators, SMD & thru hole Ceramic & Metal packages. TCXO and OCXO. RTC RV-3028-C7 @ 45nA

<https://microcrystal.com/en/>

The largest and most advanced supplier of Non-Volatile Memory, NOR Flash and NAND Flash. World-class R&D and internal manufacturing capability delivering high-quality, innovative and performance driven products , Parallel & Serial NOR, SLC NAND and eMMC

<https://macronix.com>

Panthronics is an independent NFC IC provider enabling and simplifying challenging connectivity use cases in POS, IoT, Wireless Charging and Mobile through innovative ground up design. PTX100R for POS, MPOS and SmartPOS and PTX100W for NFC Wireless charging are industry's best NFC ICs based on sensitivity and output power

<https://www.panthronics.com>

Antennas internal, external, indoor and outdoor (WiFi, BLE, LTE, NFC, GPS, Charging Coils), Inductors, transformers, Network LAN, ICM's, 2.5GBASE-T, 5GBASE-T, 10GBASE-T, 100BASE-TX, 1000BASE-T, HDBASE-T SFP & SFP+, QSFP & QSFP+ cages.

<https://pulseelectronics.com>

DC to DC Converters up to 10kV Isolation & AC to DC Modules ~ 0.25W to 240W on board ~ 5W to 1200W off board ~ High Isolation ~ Medical Approved ~

<https://recom-power.com>

A Swatch Company, battery offerings 3V Lithium coin cell (with tabs & holders), 1.55V silver oxide coin cell and rechargeable 3.7V Lithium Ion/Polymer battery solutions for industrial and medical applications.
